

## **LEGAL DISCLAIMER**

The geographic data layers produced by the Arlington County GIS Mapping Center are provided as a public resource. The County makes no warranties, expressed or implied, concerning the accuracy, completeness or suitability of this data, and it should not be construed or used as a legal description. Every reasonable effort is made to ensure the accuracy and completeness of the data. Please note the GIS Mapping Center is responsible for maintaining many data layers in an electronic format (producing hard copy as required) for multiple County agencies. These agencies are considered the owners of their data, and as such are responsible for the content of the data. Questions may be directed to the GIS Mapping Center at the following address:
